(Admission Rules to the PHEE «International Academy of Ecology and Medicine» in 2023 were approved by the Academic Council of Academy, protocol No. 8 dated April 5, 2023)

Peculiarities of admission to study of foreigners and stateless persons

1. Admission to higher education institutions of foreigners and stateless persons is carried out in accordance with the Laws of Ukraine "On Higher Education", "On the Legal Status of Foreigners and Stateless Persons", "On Ukrainians Abroad", "On Refugees and Persons in Need additional or temporary protection", "On the establishment of additional legal and social guarantees for citizens of the Republic of Poland who are in the territory of Ukraine", by the Cabinet of Ministers of Ukraine Resolution No. 729 of September 12, 2018 "Issues of obtaining higher education by certain categories of persons", by order of the Ministry of Education and Sciences of Ukraine dated November 1, 2013 No. 1541 "Some issues of organization of recruitment and training (internship) of foreigners and stateless persons", registered with the Ministry of Justice of Ukraine on November 25, 2013 under No. 2004/24536, by order of the Ministry of Education and Science of Ukraine dated December 2, 2019 No. 1498 "On approval of the Procedure for establishing quotas for obtaining higher education by foreigners and stateless persons within the scope of the state order in accordance with international treaties of Ukraine", registered in the Ministry of Justice of Ukraine on February 10, 2020 No. 153/34436.

Citizens of the Russian Federation and the Republic of Belarus, who do not have a permanent (temporary) residence permit in Ukraine, are admitted to study with the individual permission of the Ministry of Education and Science of Ukraine.

2. Foreigners and stateless persons (hereinafter referred to as foreigners) may obtain higher education at the expense of individuals and/or legal entities, unless otherwise provided by international treaties of Ukraine, the binding consent of which has been granted by the Verkhovna Rada of Ukraine, legislation or agreements between higher education institutions education about international academic mobility.

Foreigners are admitted to study for a master's degree at accredited educational programs (table 1). The Academy also accepts foreigners to study in the programs of the preparatory faculty (subdivision), to study the state language and/or the language of instruction, as well as to obtain postgraduate education, advanced training and internships.

3. Admission of foreigners to study may be carried out face-to-face and/or remotely.

The validity period of an invitation to study is no more than one year from the date of its registration in the Automated System "Electronic Journal" of a state enterprise authorized by the Ministry of Education and Science of Ukraine.

Foreigners who have received an invitation to study registered in the Automated System "Electronic Journal" of a state-owned enterprise authorized by the Ministry of Education and Science of Ukraine, have received a set of information and consulting support services, and have received a visa to enter Ukraine can participate in remote admission. (except for citizens of visa-free entry countries) for the purpose of study or have carried out the procedure of legalization of

education documents in the country of their issuance: (have carried out legalization at the Ministry of Foreign Affairs (MFA) of the country that issued the education document; have carried out legalization at the consular department of a diplomatic institution of Ukraine abroad (consular legalization or apostille)).

For the organization of remote recruitment of foreign citizens to study for higher education, the Academy concluded an agreement with a partner organization (table 2), which is a resident of the country of origin of the entrants. The subject of the agreement is the provision of services for personal identification, verification of original documents of entrants, organization of reception of entrants' applications in electronic form, provision of premises and technical means for conducting consultations and entrance tests by a higher education institution in a remote format.

The conclusion of agreements by educational institutions of Ukraine is possible with organizations that meet the following requirements:

- compliance of the area of premises for remote submission of documents, conducting consultations and entrance tests to the established norms of quarantine restrictions in the country where recruitment is carried out;

- provision of entrants with means of personal protection;

- ensuring the procedure of identification of entrants using facial recognition technologies, which includes checking personal data (surname, first name, patronymic (if available)), biometric data and their verification;

- ensuring compliance with the requirements of academic integrity during the entrance exam for foreigners;

- provision of a place to store telephones, tablet computers and other electronic devices of entrants seized during the entrance test;

- provision of a suppression device for cellular and Internet networks;

- ensuring video surveillance around the perimeter of the auditorium where the entrance exam for foreigners takes place, by installing at least two video cameras;

- provision of technical equipment for video communication with the examination board of the educational institution in real time (computer, video camera, microphone, TV or projector with a screen);

- the presence of at least two employees in the classroom to monitor compliance with the requirements of academic integrity and technical support during the entrance exam for foreigners;

- provision of all entrants with individual computers with connection to the institution's online platform, through which the entrance exam for foreigners will take place;

- provision of consultations and trainings before the entrance exam for foreigners in order to familiarize themselves with the rules for taking it remotely and using the online platform;

provision of video recording of the entrance test, transfer of video material to the educational institution through an online platform, storage of information and video materials after conducting the entrance exam for foreigners for five years in a partner organization.

In the case of remote admission, the foreigner sends legalized and notarized copies of documents about previous education to the educational institution by postal means. At the first crossing of the state border of Ukraine and upon arrival at the educational institution, the foreigner hands over the original documents in person.

4. Enrollment of foreign entrants for studies at the expense of individuals and/or legal entities is carried out by the Academy:

- 1) twice a year in the specified terms for obtaining a master's degree;
 - The first stage - from 01.01.2023 to 02.28.2023.
 - II stage - from June 1, 2023 to December 31, 2023.
- 2) during the year for training at the preparatory department.

The Academy calculates the entrant's points/grades on the basis of the document on the previously obtained level of education and establishes the minimum value of the number of points/grades required for admission in the general education subjects from which the entrance exam for foreigners is conducted.

Enrollment of foreigners to study at the corresponding level of higher education is carried out on the basis of a document on the previously obtained level of education, based on the results of entrance exams for foreigners in specified subjects (table 3) and the language of study, and on the basis of academic rights to continue studying, provided by a document on the obtained level of education in the country of his origin, and taking into account the success points that give the right to continue studying at the next level of higher education in accordance with the legislation of the country that issued the document on the obtained degree (level) of education.
